

VASTUVIRA

ENGINEERING PVT. LTD.

Engineering Excellence, Empowering Growth

OUR EXPERTISE

- Civil & Mechanical Engineering
- Infrastructure Development
- Renewable Energy Projects
- Strategic Hiring Consultancy

01

End-to-End Engineering Excellence

We deliver integrated civil and mechanical services — from planning to execution

02

Trusted Talent Solutions

Our hiring consultancy empowers organizations with top-tier professionals through precise recruitment strategies

03

Expert Leadership

Founded by IIT alumni with proven experience in high-value engineering projects blending innovation, integrity

About Us !

Vastuvira Engineering Pvt. Ltd. delivers innovative civil, mechanical, and HR consultancy solutions across infrastructure, renewable energy, real estate, and public sectors. We build trust and value through precision-driven engineering and strategic talent acquisition, ensuring reliability, scalability, and long-term impact.

From structures to teams, we empower sustainable growth for clients nationwide.

Engineering Innovation

Sectoral Expertise

- ✓ Refineries & Power Plants
- ✓ Biogas, CNG & CBG Plants
- ✓ Ports, PSU Terminals & Marine Infrastructure
- ✓ Water & Wastewater Treatment Plants
- ✓ Roads, Culverts, Flyovers & Bridges
- ✓ Commercial, Industrial & Residential Buildings
- ✓ Coal Handling Systems & Piling Works

Vision

To be a nationally recognized leader in integrated engineering and talent solutions, shaping India's infrastructure and workforce with expertise, reliability, and purpose. **We envision a future where Vastuvira stands as a benchmark for excellence**—bridging technology with trust, and construction with conscience—to build smarter cities, greener industries, and empowered enterprises across every region we serve.

Mission

Our mission is to deliver high-impact engineering and human resource solutions that **drive sustainable growth, operational excellence**, and long-term value for our clients. We are committed to quality, safety, and innovation in every project—be it infrastructure, renewable energy, or strategic hiring.

Empowering organizations and communities through integrity, precision, and people-focused execution.

Our Force of Five

Technical Expertise
Deep engineering experience

Integrated Services
Infra + HR under one roof

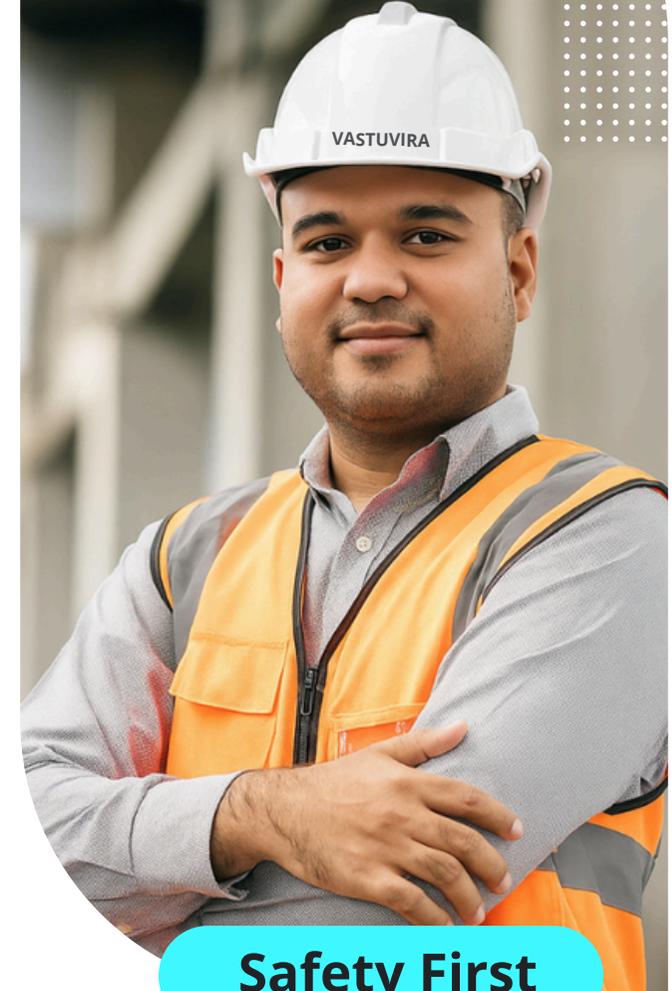

Agility & Scale
Fast deployment, pan-India reach

Sustainability
Commitment to green infrastructure

Client Partnership
Long-term, trust-driven engagements

Safety First

“ **Driven by Safety.
Defined by Quality.** ”

At Vastuvira Health, Safety & Environment is not just compliance — it's a mindset built into every stage of our work. We follow industry-best safety practices, site-level HSE audits, and proactive risk mitigation to ensure zero-compromise environments for people and projects alike.

We are equally committed to Quality — with standardized processes, strict material specifications, and multi-stage quality checks that ensure durable, high-performing outcomes.

► Structured Excellence

Civil Engineering Services

At Vastuvira, our civil division blends engineering rigor with on-ground efficiency, delivering robust structures built to last.

- Construction of residential, commercial & industrial buildings
- Roads, highways, and pavement works
- Culverts, bridges, flyovers, and retaining structures
- Stormwater drainage, water supply & sewage systems
- Structural retrofitting, renovation & rehabilitation works
- Piling, concrete tank foundations & utility bases
- Piping, tank works and its foundations
- Pressure vessels and boilers along with its foundations

► Delivering Excellence

“
Innovate.
EXECUTE.”

► Engineered Precision

Mechanical Engineering Excellence

We bring advanced mechanical systems and support infrastructure to life across industrial and energy sectors.

- Fabrication and erection of steel structures & industrial sheds
- Installation & commissioning of industrial machinery
- HVAC system design, installation, and testing
- Industrial piping, plumbing & fire safety systems
- Boiler & pressure vessel installation with foundation support

INFRASTRUCTURE & RENEWABLE ENERGY

SUSTAINABLE PROGRESS

Transforming urban mobility, industrial hubs, and India's landscape.

Our infrastructure expertise includes:

- Urban & rural infrastructure development
- Development of industrial zones & logistics hubs
- Power, water & waste management systems
- Roads, culverts, flyovers & underpasses
- Land preparation, grading & site development
- Real estate: Apartments, hotels & hospital projects

Supporting India's Green Energy Goals

We are committed to India's sustainable future through engineering support for:

- **Ethanol plants & biofuel projects**
- **Solar energy installations & hybrid grids**
- **Captive power units & decentralized systems**

We integrate renewable-ready designs in our civil and mechanical works to align with global energy goals.

► Talent Delivered

What We Offer

- Permanent Staffing
- Project-Based Hiring
- Executive Search
- Volume Hiring
- Payroll & Compliance Support

Industries We Serve

- Manufacturing
- Fintech & EdTech
- FMCG & Retail
- Hospitality & Healthcare
- IT Services & Startups
- Banking & NBFCs

“Partnering with Vastuvira has been a game-changer for our talent acquisition strategy”

- Mihir Mishra, MD, Cradlefeed Consultancy Pvt. Ltd.

► Strategic Hiring Consultancy

“
**HIRING
EXCELLENCE**”

► People Powered

Why Vastuvira HR?

- AI + human intelligence sourcing
- 5-step hiring process from role mapping to onboarding
- Only top 3% of candidates forwarded
- Industry-specific talent pools
- Faster TAT & higher retention

“Vastuvira has impressed us with their efficient processes & robust candidate pipelines”

- Rajat Khemka, MD, Jivisha Greens

An IIT Dhanbad Graduate & IIM Kozhikode Alumni, Himanshu Mishra began his journey at Larsen & Toubro and went on to found ANH Construction in 2019, where he continues to serve as Managing Director. Under his leadership, **ANH achieved a turnover of ₹50+ Cr**, earning a reputation for technical precision and timely delivery.

Now, with the same vision and depth of expertise, he is **steering Vastuvira Engineering Pvt. Ltd. toward new heights**. His proven track record in **infrastructure, energy, real estate, renewable projects, and strategic hiring** forms the cornerstone of Vastuvira's accelerated growth.

Himanshu Mishra
Managing Director

Build with purpose. Lead with integrity. Grow with people

Some of Key Projects Lead by Mr. Himanshu

Project Details	Client/Owner	Location	PO Value
3x350 MT LPG MSV Project at HPCL Sitarganj	HPCL	Sitarganj, Uttarakhand	₹ 6,98,00,000.00
Civil Work for 16 nos. of tankages works for EPCC 11 Package at IOCL, Barauni	IOCL Barauni Refinery	Barauni, Bihar	₹ 31,34,66,650.00
Civil Works for Misc Structure for FGD Systems of 2x600MW	Hindustan Power Projects Limited (MB Power)	Anuppur, Madhya Pradesh	₹ 45,41,89,858.00
Civil Work at IOCL Panipat for 3x300 TPH Boilers and auxiliaries	IOCL Panipat Refinery	Panipat, Haryana	₹ 17,05,00,000.00
Civil Construction Works of 15TPD Paddy Straw - CBG Project at Jind, Haryana	IOCL GPS Renewables Private Limited	Jind, Haryana	₹ 16,06,20,232.00
